OIA-21/78
28 February 1978

MEMORANDUM FOR: Chief, NFAC Administrative Staff

SUBJECT : Office of Imagery Analysis Nomination for Management Seminar XXV

STATINTL

1. The Office of Imagery Analysis nominates [redacted] GS-14, for Management Seminar XXV, 17-28 April 1978.

2. [redacted] has been a branch chief since December 1973. Until January of 1978 he was Chief of the [redacted] supervising seven imagery analysts in the production of photographic intelligence on non-military industries, primarily in the Sino-Soviet Bloc. In January he was made Chief of the [redacted]. He now supervises seven imagery analysts specializing in the study of transportation, natural disasters, and civil defense practices.

25X1

3. [redacted] is a capable and versatile employee who is interested in further improving his overall capabilities. Attendance at this seminar should enhance his skills as a manager, and thereby increase his value to this office and the Agency.

4. [redacted] was given a comparative evaluation ranking of Valuable Contribution (VC) on his most recent evaluation. This was stated as a reason for his not being considered for Management Seminar XXIV. Since our Agency considers this seminar a major contributor to management training, I judge it particularly important that he, because of his rating, be given the opportunity to take this training as soon as possible.

5. [redacted] is on our current PDP.
